

MISS NEW BROCKTON QUEENS were recognized during the New Brockton Town Council meeting held Monday, Oct. 1st. Each queen was presented a rose by town officials. New Brockton residents are invited Sunday, Oct. 7, to a "send-off" reception for Miss New Brockton and Little Miss New Brockton as the prepare to represent the town at the Miss and Little Miss National Peanut Festival pageants. The reception will begin at 7 p.m. The New Brockton queens include Future Little Miss New Brockton Maleah Johnson, Little Miss New Brockton Randi Phillips, Jr. Miss New Brockton Chelsea Smith and Miss New Brockton Beth Vaughan.

Wiregrass Action Commission kickoff set for Thursday (today) in Daleville

Gov. Bob Riley is scheduled to attend the kickoff of the Wiregrass Region of his Alabama Rural Action Commission at 2:30 p.m. Thursday (Oct. 4) in Daleville. The public meeting will be at the Daleville Cultural and Convention Center, 750 S. Daleville Ave. The Wiregrass Action Commission includes Barbour, Coffee, Covington, Dale, Geneva, Henry, and Houston counties. "I look forward to being in Daleville for the kickoff event," Riley said. "We have an exceptional leadership team in the Wiregrass area that is doing a tremendous job of involving local citizens and building committees needed to address key issues in the region. I encourage any citizen to attend the kickoff and join this effort to improve the quality of life in our state."

The Alabama Rural Action Commission was created by Riley in May. It is based upon the successful model he established with the Black Belt Commission in 2004. The Black Belt Commission has more than 800 volunteers who are working to build local and state partnerships to improve the quality of life in the region.

The Alabama Rural Action Commission, directed by former state Sen. Gerald Dial, is comprised of eight regional "action commissions" encompassing all 67 Alabama counties. In its first phase the rural commission is focusing on economic development, workforce development, health and education. The plan leaves autonomy with the regional leadership to create further committees as deemed necessary to focus on local issues.

THE 2007 NEW BROCKTON HOMECOMING ATTENDANTS include (left to right): Audrey Johnson, 9th grade attendant; Kayla Farnon and Brook Harrison, 11th grade attendants; Abby Dunaway, 10th grade attendant; Callie Hollis, Beth Vaughan and Kendall Persin, 12th grade attendants.

New Brockton High plans several activities for Homecoming 2007

The purpose of Homecoming is to encourage students, faculty, staff, alumni, and the community to become filled with the NBHS spirit.

The week's events, competitions, and athletic events are meant as a time when all of NBHS can come together and have fun. All individuals participating in any way are encouraged to take full advantage of the fellowship and excitement that Homecoming brings.

NBHS will present its "Gamecocks in Paradise" celebration Friday, Oct. 5. Students will participate in skit and decoration competitions as they beat the island heat.

On Friday, Oct. 5, the Coronation will begin at 9 a.m., followed by a pep rally and the skit competitions. The parade begins at 2:10 p.m.

All alumni, particularly those attending their reunions, are invited to attend all events. The evening coronation will begin at 6:30 p.m. on the football field, followed by the game at 7. The Gamecocks will host the G.W. Long Rebels.

Homecoming Week also included "dress up" days for students and faculty. These included: Monday: Gamecocks Beat the Island Heat (Wear any hat and sunglasses); Tuesday: Put the Rebels in a Tropical Daze (Wear craziest Hawaiian outfit-shirts, Bermuda shorts, hats, glasses, surf wear, flip flops, etc.); Wednesday: Make the Rebels Walk the Plank (Dress like a Pirate).

Thursday: "Lei" the Rebels Out (Wear leis and grass skirts). Friday: Don't Worry, Be Happy (Wear Homecoming t-shirts or school colors).

During one of the phone calls, Mrs. Barnes reportedly later bonded out of jail. Sheriff Sutton said she began early Sunday morning, Oct. 7, making phone calls to the jail. He said she made numerous phone calls regarding the release of her husband also making threats to the correctional officers.

Local woman arrested for promoting terroristic acts

by Linda Hodge, Editor

Coffee County Sheriff's Department officials arrested an Elba woman not once but twice over the weekend following an incident that began Saturday night, Oct. 6.

During Monday's Coffee County Commission meeting, Sheriff Dave Sutton told commissioners that sheriff's department officials answered a call Saturday night in the Elba division regarding a domestic violence incident between a husband and wife. Upon responding, he said both the husband and wife were arrested by officials.

Sonya Barnes, age 54, and William Grigsby Barnes Jr., age 54, both of 444 County Road 418, Elba, were arrested Saturday evening, Oct. 6. Officials said Sonya Barnes was charged at that time with obstructing governmental operations while William Barnes was charged with domestic violence.

Mrs. Barnes reportedly later bonded out of jail. Sheriff Sutton said she began early Sunday morning, Oct. 7, making phone calls to the jail. He said she made numerous phone calls regarding the release of her husband also making threats to the correctional officers.

During one of the phone calls, Mrs. Barnes reportedly later bonded out of jail. Sheriff Sutton said she began early Sunday morning, Oct. 7, making phone calls to the jail. He said she made numerous phone calls regarding the release of her husband also making threats to the correctional officers.

Sheriff Sutton said Mrs. Barnes indicated if she could not "bond" him out, she would "bomb" him out.

Sheriff Sutton said the jail facility was checked following this threat to ensure no bomb was on site. Afterwards, he said he and an investigator went to the Barnes' residence to speak with Mrs. Barnes.

Sutton said as sheriff he will not tolerate threats to his employees. Early Sunday afternoon, Sonya Barnes was rearrested by Coffee County Sheriff's Department officials. She was charged with making terrorist threats and harassing communications. The terrorist threats charge is a felony charge.

A few hours after his wife was rearrested, Mr. Barnes reportedly was released from the Coffee County Jail on bond.

Sutton said no one will be allowed to get away with making threats to Coffee County deputies, correctional officers or any other employees.

During Coffee County Commission meeting
Requests from sheriff's department approved

In a routine meeting Monday, Oct. 8, Coffee County Commissioners approved a request from Coffee County Jail Administrator Richard Moss to continue with a request for a contract on inmate phone services and a jail management system.

Commissioners rescinded a motion approved at a previous meeting to send out proposals for these services. Instead, they approved a motion to send proposals for consideration to receive an invitation to bid. The purpose of this consideration is to make sure prospective bidders can meet the bid specifications.

Also during Monday's meeting, commissioners approved a motion giving Sheriff Dave Sutton permission to seek a \$25,000 grant through ADECA (with a 10 percent match of funds). Sutton said the grant is a law enforcement equipment grant.

The sheriff also noted he is not asking for any funds from the county for this grant. He said he will absorb the match portion of the grant out of his current budget.

Lamar Kelley recognized for years of service
by Linda Hodge, Editor

Elba resident Lamar Kelley surprisingly found himself on the 50-yardline of Mack Wood Field at Tiger Stadium last Friday night, Oct. 5, as the recipient of a special award prior to the start of the Elba vs. Pike County football game.

The presentation, made by Elba Mayor James Grimes, honored Kelley for his many years of volunteer service to the City of Elba and Elba City School System. Kelley was given a plaque containing an official resolution from the Office of the Mayor.

In reading the resolution, Mayor Grimes said, "I, James E. Grimes, mayor, City of Elba, along with Danny Weeks, superintendent of the Elba School System, and the citizens of Elba hereby convey to Lamar Kelley our heartfelt appreciation and commendation for his longtime service and the exemplary spirit he has exhibited in carrying out his duties as a member of the community for the City of Elba and Elba School System."

Kelley was recognized for his service as a volunteer with the City of Elba Little League football program for the Elba Parks and Recreation Department for more than 27 years. He also presently serves as a spotter for the announcer of the Elba High School football program.

An alumnus of Elba High, Kelley also served many years as a spotter for the EHS football program during the WZTZ-FM broadcast of the games.

"Members of the city government and school system are cognizant of Lamar Kelley's special talents and expertise in this field," said Grimes.

He said Kelley has given the city and school invaluable service in the development of community recreation facilities. Kelley's two daughters, Sherry Misereandino of Austin, Texas and Kerry Kelley of Enterprise also were in attendance for the presentation.

The mayor said the recent downtown paving work will be paid in October, thus it will be reported in the new fiscal year.

Grimes also asked the council to approve the monthly bills for payment. He quickly noted they were "a good bit" higher than usual, but that could be accounted for in two accounts.

One was the annual auditor's fees and the other was payment of the environmental work started in 2004 in connection with the Toledo Molding building construction. The cost was \$27,500. Total bills for the month amounted to \$145,538.61.

Other high number bills included the monthly transfer to the school system (\$13,789); gasoline (\$9,297.32); city utilities (\$15,210.87); bank note (\$15,557.64); routine engineering (\$5,887.90) and \$2,000 for youth recreation uniforms and equipment.

Police Chief Freddy Hanchey flipping to an additional certified officer would begin working with the department about October 15th. He added, however, that an existing officer was also leaving about the same time to begin work with the Alabama prison department at the local work release. However, the one officer cadet now in school should be back for regular duty as a certified officer before Thanksgiving.

City Clerk Wayne Grantham reported city wide clean-up is continuing and Elba citizens can expect a nice end product. He added that the airport renovation work is going well and that also should be a nice end product.

Area Happenings
THE 2007 HIGH SCHOOL FOOTBALL SEASON wraps up seven Friday, Oct. 12, with the Elba Tigers traveling to Geneva, the Zion Chapel Rebels visiting Phenix, the New Brockton Gamecocks hosting Houston County, the Kinston Bulldogs traveling to Phenix House and the Hattiesburg Bulldogs traveling to Phenix House. Kickoff for all games is 7 p.m.

THE COFFEE COUNTY HEALTH DEPARTMENT FLU CLINIC will be held at the Health Department on Oct. 19, Nov. 2, and Nov. 9, from 8 a.m. until 4 p.m. Those attending are asked to bring their Medicare card, if there will be a \$5 fee. For more information, call 347-2574.

THE ELBA HIGH SCHOOL FOOTBALL SEASON is wrapping up a strong end to the season with a home game at Mack Wood Field. All Elba fans are asked to support the team and cheer on the players.

Nursing Home residents enjoy day of fishing

by Brian Blair, Staff Writer

Several Elba Nursing Home residents had an exciting outing Friday, Sept. 28, 2007 when they went to the Coffee County Lake for a fishing trip and picnic.

"We usually do this twice per year," said Janet Hobbs, Activity Director for the Elba Nursing Home. "It's just an outing for our residents to enjoy the great outdoors."

Residents attending the outing were Claudia Slawson, Doris Taylor, Nell Hughey, Wiley Kendrick, Zelma Kendrick, Bobby Ware Jr., Coland Harrel, Gwendolyn Watson, Wade McWaters, Fannie Berry, Jerry Rushing, Sarah Stewart, Lillie Coe, Martha Woolridge, Mavis Hanchey, Joyce Hudson, Fredrick Till, Ada Danner and Fran Oliverson.

All residents attending the outing appeared to be having a good day on the lake with many "reeling in the big one."

ELBA NURSING HOME RESIDENTS that participated in the recent outing to the Coffee County Lake were full of smiles as they reportedly were catching fish "left and right." The size of the catch also didn't seem to bother these fishing experts as they hooked their catch of the day. Above, a resident shows off his treasured catch while (left) another pulls in a small catfish. The fishing trip for residents is one of many activities the nursing home offers to residents for fun and fellowship with one another.

Elba High's Class of 1977 gathers for 30-year reunion

The Elba High School Class of 1977 was honored by the City of Elba and Elba High School during homecoming weekend on the 30th anniversary of their graduation.

A tea was held on Friday afternoon, Sept. 28, in honor of the class. The class then had the honor of loading up on the first flatbed trailer produced by the "new" Dorsey Trailers and rode in the homecoming parade.

Later in the evening the class attended the Elba-New Brockton football game together.

On Saturday morning, class members met at the Senior Citizen's Building and enjoyed a delicious breakfast provided by Greg and Lisa Hanchey. Old South Inn was the gracious host of the class on Saturday evening.

Rene Ham and Jenny Hudson lit candles in honor of the deceased class members. Those members are Shane Bullard, Kim

King, Phil Miles, Lynn Dubisar, Sami Reeves and Melanie Ennis. A re-cap of the 1976 football season was given by Sheila Hornsby followed by a presentation to Elba Tiger Coach Scott

Rials of \$1,700 to go towards the purchase of new athletic lockers at the high school.

Special recognition was given to class member, Enterprise Mayor Kenneth Boswell, for his

leadership in one of the worst tragedies Coffee County has ever experienced.

The Class of 1977 was the largest graduating class in the history of Elba High School.

Class members attending the reunion were Harold Bannin, Brent Bedsole, Elisa Boswell Bruce, Kenneth Boswell, Rhonda Bozeman, Brunson, Robin Bozeman, Kellie Kay Bryan Evans, Bruce Bush, Bufus Tillis, Michele McGuire Craig, Ervin Wambles, Keith Ellison, Lisha Flowers Jackson, Connie Carpenter Smith, Addie Daniels, Linda Daniels Tyson, Roxie Donaldson Doster, Gregg Hammon, Eunice T. Henry and wives, Nan Webb Travis and Geraldine Ford Travis; and granddaughter, Summer Bandstra.

Survivors include her husband: E.L. "Buck" Dickey, New Hope; five children: Larry (Laluan) Dickey, Jack, Ala., Brenda (Norris) Danner, Brundidge, Billy (Nita) Dickey, New Brockton, Judy (Chester) Nolin, Ozark, Ala., Kathy (Brandon) Pynes Jr., Arlton, Ala.; 10 grandchildren: Lance Dickey, Andy and Jody Danner, Jason Dickey, Tracy Moore, Celeste Pressley, Jill Nolin, Pam Nolin, Brandon Pynes III, and Clarissa Pynes; six great-grandchildren; four sisters: Ruth Elsbury, Phenix City, Ala., Frances Rigby, Columbus, Sue Tindol, New Brockton, Sammie Hughes, Jack; and one brother: Ray Faircloth.

FOCUSSED FACTS WE HAVE WEBSITES In early 1847, the Duke of Wellington received a letter dated December 17, 1846. In it, the author described his recent visit to the Irish village of Skibbereen. The village, he said, appeared deserted when he first arrived. Upon entering one of the larger buildings, he found: "six famished and ghastly skeletons, to all appearance dead, huddled in a corner, their sole covering what seemed to be a ragged horse cloth, and their wretched legs hanging about the knees. I approached in horror and found by a low moaning that they were alive, they were in fever

immigrants to the New World. Bound for Quebec City, they escaped the famine, but not the disease that followed them onto their ship.

Gerald and Aileen never made it to Quebec City. Aileen got sick, so the captain of the ship left them on Grosse Ile, an island in the St. Lawrence River that served as a quarantine station for immigrants. Unlike most of the immigrants, Gerald had learned to read and write. Once they reached the island, Aileen's condition worsened. According to Gerald's diary:

"It was evening when the doctor, young to my opportunity, came to see her. He did not stay a minute and writing a few lines told me to go to the hospital steward, who would give me some medicine. The fourth day, with bursting heart and throbbing head, I knelt by the corpse of my Aileen. The island was now filled with sick emigrants, and death was on every side. I dug her grave, the priest came, I laid her there, I filled it in, I staggered to the shed that had sheltered us, I fell from sheer exhaustion, and remember no more."

They buried Gerald beside Aileen in the Irish Cemetery on Grosse Ile. If you like, you can visit them. Find out more about The Great Famine. Take The Web Journey.

Next Week: Choosing a President

THE WEB JOURNEY Interpreting the Irish Famine: 1846 - 1850 Ireland's Great Famine BBC History - The Irish Famine

Compiled by Liz Szabo of the University of Virginia this resource offers a number of primary source documents about the famine. Included are photographs, drawings, newspaper articles, speeches, and Gerald Keegan's diary.

There are always mixed feelings when a familiar community look and atmosphere is changing, yet when it is controlled change, there should be unanimous excitement. Right now that is what we sense in Elba as the major airport work is actually underway, blighted areas gradually being cleared and work actually now underway on a major renovation of the old Hardee building to name a few local of the positive activities around Elba.

We were with a large group of Wiregrass citizens in Daleville last Thursday afternoon when Governor Bob Riley addressed the crowd. In his opening comments he was praising the work of U.S. Representative Terry Everett who recently announced his pending retirement. The governor said something like, "The four or five of you in this room who are not running for that House seat should extend your appreciation to Mr. Everett for the fine job he has done." We had not put it in those words, but yes, a lot of names are being batted around as being interested in that office. There was more than a couple in the room whose names have been mentioned and who have not denied an interest. If all those whose names have been mentioned were actually interested enough to go as far as qualifying, there is not enough donation money available to even pay all the qualifying fees! It will be interesting to see how many actually sign on the dotted line and to find out who they are. One potential candidate we talked to acknowledged being flattered that his name was in the group people thought was capable of doing that job, but he was not very fond of Washington D.C., nor the weekly trips back and forth from Washington to Alabama. Of all the reasons people can give for not getting involved, being in D.C. and all that traveling is one we can accept as our feelings exactly.

There will be no special session of the Alabama legislature this fall according to a news release from Governor Bob Riley on Tuesday. He cited lack of agreement among lawmakers on the two main planks in his proposed call for the special session. Riley went on to blame members of "that other party", (Democrats) for not living up to their campaign promises to address ethics, etc. and we expect that by Wednesday there will be counter claims from the Democratic side. Personally we didn't expect there would be enough agreement to ever think a special session would have any success. The same wounds which gridlocked the regular sessions are still oozing today. A special session would only wound the governor's reputation, not get things passed.

Elba Police Report

The Elba Police Department, beginning Monday, October 1, 2007, investigated the following incidents: one collision with an unattended vehicle, four for domestic violence, one for harassment, one for a private property accident, one incident, one for criminal mischief, one for harassment, one vehicle burglary, two for criminal mischief, one for arson and one for assault.

McRae-Scarborough wedding held at First United Methodist Church of Point Washington in Santa Rosa Beach Florida

The marriage of Anna Kristen Scarborough and Charles Finley McRae, Junior was solemnized October 7, 2006 at six o'clock in the evening at the First United Methodist Church of Point Washington in Santa Rosa Beach, Florida. Rev. Tonya Elmore performed the double-ring ceremony.

Parents of the couple are Mr. and Mrs. Kris N. Scarborough, of Elba, Alabama, and Mr. & Mrs. Charles Finley McRae, of Graceville, Florida.

The maternal grandparents of the bride are the late Mr. & Mrs. J. E. Scarborough of Lockhart.

The groom is the grandson of the late Mr. & Mrs. Robert Franklin McRae of Graceville, Florida; Mrs. Roberta Davis and the late Kay Cee Davis of Brent, Alabama.

Mrs. Elaine Holt, of Jasper, Alabama was the wedding director.

Lighted hurricane lamps marked the path to the church where guests were greeted by Amanda and Ashley Martin, cousins of the bride, as they passed out the wedding program.

Guests paused on the porch as Amy Baker and Wyndi Henson invited them to register their attendance. Two wreaths of white geraniums, draped in fabric of the bride's colors and embroidered with the letter M, marked the doors of the historic church. Upon entering the church sanctuary with its beautiful stained glass windows,

guests were escorted to pews marked with seeded eucalyptus and sprigged fern. The alter focal point, where the couple exchanged their wedding vows, held two massive Grecian urns containing white calla lilies, virginia roses, cabbage roses, white larkspur, white stargazer lilies, bellies of Ireland, white monte casino asters, solidago, springer fern and ruscus greenery.

A prenuptial program of music was presented by Mrs. Pam Baker, pianist and Mr. Kenneth Baker, soloist, sang "Surely the Presence" arranged by Wolfe.

Mothers and Grandmother were seated during the playing of "Panis Angelicus" arrangement by C. Frank. The Bridal Chorus arranged by Wagner, echoed the time.

The bride, given in marriage by her father, was radiant as she entered the sanctuary. She wore a formal gown made of ivory Alencon lace. The long fitted A-line gown was covered in silken French Alencon lace and enhanced with elegant bridal pearls and crystals. The heart shaped neckline, enhanced the bodice which was accented with French Alencon lace cap sleeves. Pleated Italian satin adorned the fitted waistline, which fell into a conservative

ON FRIDAY, OCTOBER 5 the second grade class at Zion Chapel Elementary honored Little Miss Zion Chapel, Lexi Sanders and Little Miss Coffee County, Haleigh Dewberry with a "Good Luck Party". Lexi and Haleigh will represent their school and community in the National Peanut Festival Pageant on Saturday, October 13, 2007 at the Dothan Civic Center at 6 p.m.

The girls have been practicing and participating in events for the past several months. Lexi and Haleigh will be two of fifty-seven contestants competing for the title of Little Miss National Peanut Festival Queen.

Lexi is the daughter of Mark and Jennifer Sanders. She is in Mrs. Hudson's second grade class.

Haleigh is the daughter of Chris and Shaq Dewberry. She is in Mrs. Hutchison's second grade class.

Lexi and Haleigh were presented with a "Good Luck Gift" from Mrs. Parkinson, Mrs. Hudson, Mrs. Hutchison and the second grade class.

After rehearsal Party

Mr. & Mrs. Finley McRae hosted the after-rehearsal dinner on the lovely grounds of Eden State Gardens. Upon completion of the rehearsal, a white horse-drawn carriage waited outside the church to transport Anna and Charles and the wedding party to the Gardens. Upon arriving in the Gardens, everyone was greeted and served Mint Juleps. The majestic, moss-draped oak trees, vases of fresh flowers and the sound of music, guided the guests to the dinner location. Located near the water's edge, amidst the mighty water oaks clothed in Resurrection fern, miniature white lights twinkled through the leaves casting a silhouette over the party area. The brides' color of terra cotta covered the tables and chairs, and the crystal hurricane lanterns flickered as the sun slipped below the bay.

As the American DJ Company entertained the guests with requested selections, the guests enjoyed a delicious meal of grilled filet mignon, twice-baked potato, grilled asparagus with pimento, diener yeast rolls and scrumptious cheesecake for desert. The meal was prepared on site by Townsend Catering Company.

In the cool night breeze, the wedding party and out-of-town guests enjoyed socializing and dancing to their favorite songs. As a special surprise, the cousin of the bride from Huntsville, Alabama brought a special musical recording. It was dedicated to the father of the bride and he shared a memorable dance with the bride-to-be.

The Friends of the Enterprise Public Library is holding its fall book sale. Friday, October 12, 2007 from 9 A.M. to 5:00 P.M. at the library.

Popular fiction, nonfiction, children and young adult books, as well as DVDs, CDs, videos, audiocassettes and many other items will be on sale. Donations prior to the sale are welcome. The Friends cannot accept text-

books, incomplete encyclopedia sets, or Readers' Digest Condensed Books.

CoOp Spotlight

by Kiera Robertson

This week's co-op spotlight features Brittany LaShawn Phillips. Brittany is the 17-year-old daughter of Julene Phillips. She is currently employed at Dairy Queen of Elba, where she has been an employee for 1 year and 5 months as a cashier. Brittany is a senior at Elba High, where she is involved in several organizations including: EHS Ambassadors, SGA, Sr. Class President, Key Club, Vica, Sr. Beta, and Colorguard. In her spare time, she enjoys going to the movies, shopping, going to church, and hanging out with her friends and family. Brittany describes herself as

Brittany Phillips outgoing and very talkative. After high school, she plans to attend Troy University and obtain a degree in nursing.

In volleyball action
Lady Tigers travel to Opp and Andalusia

by Maisie Thomas

The three Elba Volleyball teams traveled to Opp to battle the Bobcats on Sept. 24. The junior high team came out with a loss, but they kept the games interesting. Their first battle was close, ending with the score Elba 24 and Opp 26. Unfortunately, they struggled during the second game with a score of Elba 18 and Opp 25.

On the other hand, Elba's J.V. team blew the Bobcats away. Their first game was a blowout;

Bethany Wilson was a key player in the win over Opp.

with Elba scoring 25 points while the Bobcats scored only 11. The second game was just as good. Elba scored 25 points while the Bobcats scored just 14. Elba's Varsity team had a tough night. During the first game, the Lady Tigers were close behind with the score ending 20 to 25. During the second game, the Tiger's effort ended, with the Tigers scoring 6 and the Bobcats 25. During the third game, the Tigers regrouped and scored 20 points while the Bobcats held on to win with 25 points.

The J.V. and Varsity traveled to Andalusia Sept. 25 to face the Andalusia Bulldogs.

The J.V. had great effort but just not enough scoring, losing 19 to 25 in their first game and 19 to 25 in their second game. The Varsity kept up with the Bulldogs during their first game, scoring 23 while the Bulldogs scored 25 points. During the second and third games, our Tigers lost some confidence, losing 10-25 and 14-25.

Although the Varsity Lady Tigers lost, their effort was strong, and they continue to battle on the court as true Tigers.

Elba High School recognizes 2007 Homecoming Queen and Court

by Erica Daniels

Elba High School recognized the 2007 Homecoming Queen and Court during homecoming week.

Representing the freshman class was Sydney Teana Crittenden.

Sydney is the 14-year-old daughter of Charlotte and Paula Whitehurst and the late Daryl Crittenden. She is a member of PCLCA and FBIA. Community College then transferring to Troy University and majoring in elementary education.

The 2007 Homecoming Queen was Ashley Nicole Carpenter.

Ashley is the 17-year-old daughter of Calvin and Marietta Carpenter.

She is president of Mu Alpha Theta, vice president of Key Club, vice president of the senior class, vice president of Sr. Beta

Club, a member of Student Council, and a member of the EHS Ambassadors. She is an active member of the EHS varsity basketball and softball teams; a member of the Marching Tiger Band in which she serves as color guard captain; a member of the Tri-U Step Team; and a member of the Rocky Head Missionary Baptist Church.

Ashley's future plans after high school are to attend the University of Alabama in Birmingham and to major in physical therapy.

After graduation, Brittany's future plans include attending Enterprise-Ozark

University and majoring in physical therapy.

Teacher Spotlight

by April Price

The junior and sophomore floats tied for first place in the high school division. In the elementary division, the 3rd grade won first, while the EES Student Council came in second, and the 1st grade placed third.

The other entries' winners were Pee-wee football and cheerleaders in 1st place, Midget football in 2nd, and the Termites football and cheerleaders in 3rd.

Both the Pep Rally and Parade were a huge success and had a great attendance.

This week's teacher spotlight shines on Ashley Meadows.

She is the Spanish and English teacher at Elba High School.

Ms. Meadows lives in Petree, Ala., and she has an 8-year-old son named Blake. She attended Auburn University and has taught for nine years. Her previous schools are Luverne High School and Headland High School.

In her free time, Ms. Meadows enjoys rooting for the War Eagles, going to the beach, and shopping. Though she has taught at other schools, Ms. Meadows loves the Elba High School Tigers.

CITY OF ELBA, ALABAMA PRIVILEGE LICENSE

ARTICLE I. IN GENERAL

Sec. 16-1. Levy of tax.
Pursuant to the Code of Alabama, the following is hereby declared to be and is adopted as the business license code and schedule of license fees for the year beginning January 1, 2008, and for each subsequent year thereafter. There is hereby levied and assessed a business license fee for the privilege of doing any kind of business, trade, profession or other activity in the City of Elba, or its jurisdiction, by whatever name called.

Sec. 16-2. Definitions.
Unless the context clearly requires otherwise, the following terms shall have the following meaning as set forth below:
Business. Any commercial or industrial activity or any enterprise, trade, profession, occupation, or livelihood, including the lease or rental of residential or nonresidential real estate, whether or not carried on for gain or profit, and whether or not engaged in as a principal or as an independent contractor, which is engaged in, or caused to be engaged in, within the City of Elba or its police jurisdiction, for the privilege of doing any kind of business, trade, profession, or other activity in the city or its police jurisdiction, by whatever name called, which requires the taxpayer to be conspicuously posted or displayed except to the extent the taxpayer's business license tax or renewal reminder notice is so calculated with the form.

Sec. 16-3. Restriction on transfer of license.
No license shall be transferred except with the consent of the city clerk/treasurer, and no license shall be transferred to reflect a physical change of address of the taxpayer within the city more than once during a license year and never from one (1) taxpayer to another taxpayer. Provided that a mere change in the name or ownership of a taxpayer or that is a corporation, partnership, limited liability company or other legal entity now heretofore recognized by the laws of Alabama shall not constitute a transfer for purposes of this chapter, unless:
(a) The change requires the taxpayer to obtain a new federal employer identification number or Department of Revenue taxpayer identification number; or
(b) In the discretion of the city, the subject license is one (1) for the sale of alcoholic beverages. Nothing in this section shall prohibit the city from requiring a new business license application and approval for an alcoholic beverage license.

Sec. 16-4. Unlawful to do business without a license.
It shall be unlawful for any person, taxpayer, or agent of a person or taxpayer to engage in businesses or vocations in the city for which a license is required without first having procured a license. A violation of this chapter shall be cause for the suspension of a license. A license shall be punishable by a fine not to exceed the sum of five hundred dollars (\$500.00) for each offense, and if a willful violation, by imprisonment, not to exceed six (6) months, or both, at the discretion of the court trying the same. Each day shall constitute a separate offense.

Sec. 16-5. License must be posted.
Every license shall be posted in a conspicuous place, where said business, trade or occupation is carried on, and the holder of the license shall immediately show same to the designee of the city upon being requested to do so.

Sec. 16-6. Duty to file report.
(a) It shall be the duty of every person subject to such license tax to render to the city on such forms as may be required, a sworn statement showing the total business done, amount of sales, receipts and gross receipts, stock, value of furniture and other equipment, capital invested, number of helpers or employees, amount of space occupied, or other factor described in the license, within the time specified, and the failure to do so shall be cause for the suspension of the license. (b) If the city determines that the amount of business license tax is incorrect, if no business license remittance form is filed within the time prescribed, or if the information provided on the form is insufficient to allow the taxing jurisdiction to determine the proper amount of business license tax due, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-7. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-8. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-9. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-10. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-11. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-12. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-13. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-14. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-15. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-16. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-17. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-18. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-19. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-20. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-21. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-22. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

branch offices will not be subject to the business license imposed by this ordinance. To establish a bona fide branch office, the taxpayer must demonstrate proof of the following criteria:
(1) The taxpayer must demonstrate the continuing existence of an actual facility located outside the police jurisdiction in which its principal business office is located, such as a retail store, outlet, business office, showroom, or warehouse, to which employees and/or independent contractors are assigned or located during regular normal working hours.
(2) The taxpayer must maintain books and records, which reasonably indicate the segregability or allocation of the taxpayer's gross receipts to the particular facility of facilities.
(3) The taxpayer must provide proof that separate telephone listings, signs and other indicia of its separate activity exist in existence.
(4) Billing and/or collection activities relating to the business conducted at the branch office or offices are performed by an employee or other representative of the taxpayer who has such responsibility for the branch office.

Sec. 16-23. Restriction on transfer of license.
No license shall be transferred except with the consent of the city clerk/treasurer, and no license shall be transferred to reflect a physical change of address of the taxpayer within the city more than once during a license year and never from one (1) taxpayer to another taxpayer. Provided that a mere change in the name or ownership of a taxpayer or that is a corporation, partnership, limited liability company or other legal entity now heretofore recognized by the laws of Alabama shall not constitute a transfer for purposes of this chapter, unless:
(a) The change requires the taxpayer to obtain a new federal employer identification number or Department of Revenue taxpayer identification number; or
(b) In the discretion of the city, the subject license is one (1) for the sale of alcoholic beverages. Nothing in this section shall prohibit the city from requiring a new business license application and approval for an alcoholic beverage license.

Sec. 16-24. Unlawful to do business without a license.
It shall be unlawful for any person, taxpayer, or agent of a person or taxpayer to engage in businesses or vocations in the city for which a license is required without first having procured a license. A violation of this chapter shall be cause for the suspension of a license. A license shall be punishable by a fine not to exceed the sum of five hundred dollars (\$500.00) for each offense, and if a willful violation, by imprisonment, not to exceed six (6) months, or both, at the discretion of the court trying the same. Each day shall constitute a separate offense.

Sec. 16-25. License must be posted.
Every license shall be posted in a conspicuous place, where said business, trade or occupation is carried on, and the holder of the license shall immediately show same to the designee of the city upon being requested to do so.

Sec. 16-26. Duty to file report.
(a) It shall be the duty of every person subject to such license tax to render to the city on such forms as may be required, a sworn statement showing the total business done, amount of sales, receipts and gross receipts, stock, value of furniture and other equipment, capital invested, number of helpers or employees, amount of space occupied, or other factor described in the license, within the time specified, and the failure to do so shall be cause for the suspension of the license. (b) If the city determines that the amount of business license tax is incorrect, if no business license remittance form is filed within the time prescribed, or if the information provided on the form is insufficient to allow the taxing jurisdiction to determine the proper amount of business license tax due, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-27. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-28. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest. If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

Sec. 16-29. License assessment by city.
If the amount of business license tax is not paid by the taxpayer, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business

(d) months from the date of petition is filed, unless the period is extended by written agreement of the taxpayer and the city. The taxpayer shall be notified of the city's decision concerning the petition for refund by first class U.S. mail, return receipt requested, sent to the taxpayer's last known address. If the city fails to grant a full refund with the time provided herein, the refund petition shall be deemed to be denied.

(e) If the petition is granted or the city or a court otherwise determines that a refund is due, the overpayment shall be promptly refunded to the taxpayer by the city, together with interest to the extent provided for in section 11-51-02, Code of Alabama 1975. If the municipality determines that a refund is due, the amount of overpayment plus any interest due thereon may first be credited by the city against any outstanding tax liabilities due and owing by the taxpayer to the city, and the balance of any overpayment shall be promptly refunded to the taxpayer. If any refund or part thereof is credited to any other tax by the city, the taxpayer shall be provided with a written detailed statement showing the amount of overpayment, the amount credited for payment to other taxes, and the resulting amount of the refund.

(f) A taxpayer may appeal from the denial in whole or in part of a petition for refund by filing a notice of appeal with the clerk of the circuit court of Coffee County, Alabama. Said notice of appeal must be filed within two (2) years from the date the petition was denied. The circuit court shall hear the appeal according to its own rules and procedure and shall determine the correct amount of refund due, if any. If an appeal is not filed with the appropriate circuit court within two (2) years of the date the petition was denied, then the appeal shall be deemed for lack of jurisdiction.

(g) Section 18-22, Delivery Licenses.

(a) In lieu of any other type of license, a taxpayer may at its option purchase for seventy-five dollars (\$75.00) a delivery license for the privilege of delivering its merchandise in the city if the taxpayer meets all of the taxpayer meets all of the following criteria:

(1) Other than deliveries, the taxpayer has no other physical presence within the city or its police jurisdiction;

(2) The taxpayer conducts no other business in the city other than delivering merchandise and performing the requisite set-up and installation of said merchandise;

(3) Such delivery and set-up and installation is performed by the taxpayer's employees or agents, concerns the taxpayer's own merchandise in the city, and is done by means of delivery vehicles owned, leased, or contracted by the taxpayer;

(4) The gross receipts derived from any sale and any requisite set-up or installation of all merchandise so delivered shall not exceed seventy-five thousand dollars (\$75,000.00) during the license year;

(5) Any set-up or installation shall relate only to:

(A) That required by the contract between the taxpayer and the customer or as may be required by state or local law; and

(B) The merchandise so delivered.

(6) If at any time during the current license year, the taxpayer fails to meet any of the above stated criteria, then within ten (10) days after any of said criteria have been violated or exceeded, the taxpayer shall purchase all appropriate business licenses from the city for the entire license year and without regard to this section.

(b) Mere delivery of the taxpayer's merchandise by common carrier shall not allow the city to assess a business license tax against the taxpayer, but the gross receipts derived from any sale and delivery accomplished by means of a common carrier shall be counted against the seventy-five dollars (\$75,000.00) limitation described in the preceding section if the taxpayer also during the same license year sells and delivers into the taxing jurisdiction using a delivery vehicle other than a common carrier.

(c) A common carrier, contract carrier, or similar delivery service making deliveries on behalf of others shall not be entitled to purchase a delivery license.

(d) The deliver license shall be calculated in arrears, based on the related gross receipts during the preceding license year.

(e) The purchase of a delivery license shall not, in and of itself, establish nexus between the taxpayer and the city for purposes of the taxes levied by or under the authority of Title 40, Code of Alabama 1975, or other provisions of law, nor does the purchase of a delivery license conclusively determine that nexus does not exist between the taxpayer and the city.

Sec. 18-24, Exchange of Information.

(a) The license officer may exchange tax returns, information, records, and other documents secured by the city with other municipalities adopting similar ordinances for the exchange of taxpayer information, or with county or state authorities. The license officer may charge a reasonable fee for providing such information or documents. Any tax returns, information, records, or other documents so exchanged shall remain subject to the confidentiality provisions, restrictions, and criminal penalties for unauthorized disclosure as provided under state or municipal law.

(b) Any such exchange shall be for one or more of the following purposes:

(1) Collecting taxes due;

(2) Ascertaining the amount of taxes due from any person;

(3) Determining whether a person is liable for, or whether there is probable cause for believing a person might be liable for, the payment of any tax to a state, county, or municipal agency;

(4) Nothing herein shall prohibit the use of tax returns or tax information by the city in the proper administration of any law administered by the license officer. The license officer may also divulge to a purchaser, prospective purchaser as defined pursuant to the regulations of the Alabama Department of Revenue, or successor of a business or stock of goods the outstanding sales, use, and rental tax liability of the seller for which the purchaser, prospective purchaser as defined pursuant to the regulations of the Alabama Department of Revenue, or successor may be liable pursuant to Section 40-23-25, 40-23-82, or 40-12-224, Code of Alabama 1975.

Sec. 18-25, License fees in police jurisdiction.

Any person, firm, association, or corporation engaged in any business outside the corporate limits of the city but within the police jurisdiction hereof shall pay one-half (1/2) of the amount of the license imposed for like business within the city.

Sec. 18-26, Insurance fees.

A fee of \$100.00 shall be collected for issuing each license.

Sec. 18-27 Farmer's exemption.

No license shall be required of any farmer or other individual engaged in the production of farm products for sale or other disposition exclusive of articles produced by them. However, it shall be unlawful for any farmer or other individual engaged in the production of farm products to sell within the corporate limits of the city any article produced by him without first have procured, without cost, a permit from the city clerk.

Sec. 18-28, Reserved.

Sec. 18-29, License classifications.

TABLE INSET:

Code 2002 NAICS Title/Business License Codes Schedule Rates

111998 Farming - agriculture, crop production, nursery, fruit, growers \$100.00

THE PRESSBOX

By Ricky Mularz, Sports Editor

We are still baby-sitting the girls puppy, and since it looks like we have lost our battle with their landlord, I guess we have become foster parents to a part-Chihuahua puppy that loves to eat, play outside and at times is way too fast for us to catch. The puppy does stay in its carry-kennel most of the time when it is inside the house and really isn't that much trouble to care for, but since my wife had bought its brother before it was evicted, we have not one, but two puppies to take care of. If you pass by the house and us sitting out side in lawn chairs, you can bet the puppies will be running around somewhere in the yard.

ELBA TIGERS DROP REGION CLASH TO PIKE COUNTY

The Elba Tigers suffered their first region loss of the season last week with a 48-20 setback to the Pike County Bulldogs. The Tigers lost a fumble on their third snap of the game that led to a quick score and trailed 13-0 very early in the game, but trailed only 21-13 with less than four minutes remaining in the half and appeared ready to hang tough before watching Pike County score two late touchdowns as the deficit grew to 35-13 by the end of the half. Elba fought hard until the final horn, and even though the final score showed a difference of four touchdowns, the Tigers never backed down and should now know they can compete with any team on their schedule. The Elba offense scored three touchdowns against the quick and aggressive Pike County defense, and could have scored two more if not for two potential scoring passes that were dropped by wide-open receivers. The balance of Elba's spread offense created some problems for the state's top 3A team, and that too should give the Tigers a shot of confidence. Over on defense the Tigers allowed over 400 yards in total offense and for the second straight week allowed a kickoff return for a touchdown. The problem on defense is a lack of size and strength in the defensive line, and even though the effort is there, the lack of size is something that can't be hidden. I know it sounds strange to feel encouraged after a big loss. However, the way the Tigers competed should give them confidence and should pay dividends as the season rolls along.

AREA TEAMS HAVE ANOTHER SO-SO WEEK OF ACTION

The sixth week of the high school football season is in the books, and for the teams in the area it was just another so-so week as two teams won and the other two lost. Here's a quick look back....

*** **New Brockton (3-3)** – The Gamecocks continued to be undefeated at the friendly confines of Gariecock Stadium as they claimed an exciting 21-20 region win over G.W. Long. New Brockton jumped out to a 21-7 lead and appeared headed for a big win, but saw Long rally and barely survived the late rally to hold on and claim the win. The win kept the Gamecocks' playoff hopes alive, and now if they figure out how to win on the road they just might make the post-season party.

*** **Brantley (5-1)** – The Bulldogs hung 55 points on previously undefeated McKenzie as they remained atop the region standings with a wild 55-34 win over the Tigers. Brantley ran the football 32 times and averaged over 10 yards per carry to light up the scoreboard, and even though they struggled on defense against the high-powered McKenzie offense, the win was never really in doubt. I am sure Coach Lowery and his staff are a little concerned after allowing 64 points the past two weeks, but I am also pretty sure they will work extra hard to shore up the defense as they remain in region competition.

*** **Zion Chapel (0-6)** – The Rebels continued to look much improved in a hard fought 35-16 loss to Providence Christian. Zion Chapel pounded the ball straight ahead against the Eagles and ran the ball a total of 68 plays for 311 yards. To run the football 68 times in one game takes a lot of work for both the runners and the linemen, and after six weeks it looks like the Rebels have developed a personality on offense. The lack of speed on defense is still evident; however, and there just isn't much that can be done to solve that problem.

*** **Kinston (0-6)** – The Bulldogs continued their struggles last week in a 35-7 loss to Arton, but the "Dogs did unveil some changes on offense and that makes it clear that the coaches and players aren't satisfied with being winless on the season and will do whatever it takes to turn things around. Kinston wasn't expected to be a power this season, but it also wasn't expected to be winless after six weeks of play. If the players will keep working they still

might find a win or two before its time to hang up their cleats.

FOR WHAT IT IS WORTH....

*** The high school football season resumed its region campaign last week and there were a number of big games all across the state. In action close to home Highland Home claimed its second big win in just a matter of days by outscoring Luverne 31-28, Charles Henderson remained undefeated with a huge region win over Eufaula 27-24, Abbeville got its first win of the season by slipping past Dale County 28-26 in overtime. Enterprise remained perfect in region play with a 16-7 win over Auburn. T.R. Miller slipped to 3-3 with a 42-23 loss to Thorsensville, and Dothan remained winless with a 41-0 loss to Central of Phenix City. A couple of other scores that caught my eye around the state were Williamson outscoring UMS-Wright 60-41, McGill-Toolen pouring it on Baker 72-3, Andalusia getting past Trinity 21-14, Daleville pounding St. James 42-14, Hoover struggling past Minor 20-12, Leroy making a statement with a 45-6 win over Flomaton, and Opp moving to 4-2 on the season with a 22-21 win over Ashford. In private school ball, Crenshaw Christian upped its record to 7-0 with a 2-0 forfeit win over Central Christian, of Selma. Word is that the small private school in Selma made the decision weeks ago to drop football due to a lack of players, and that led to the football players making a move that resulted in the school closing its doors.

*** Auburn made Vanderbilt look bad in rolling past the Commodores 35-7, while Alabama let one slip away before holding on to claim a 30-24 win over Houston. The Tigers came out determined to dominate Vanderbilt and did just that as they overpowered the Commodores on both sides of the ball and made it look easy. The Tide came out ready to play and jumped out to a 23-0 lead, but didn't know how to act with a lead and almost blew it. Oh well, at least both state teams posted wins in this wild and crazy season of college football.

*** The Elba Youth Football League continued its season last weekend and struggled at home as both the Midget Tigers and termite Tigers lost to cross-county rival New Brockton. The Midgets lost for the first time this season 14-0, while the Termites lost an 8-6 heartbreaker. The Pee Wee Tigers salvaged the night for the Elba fans with a big 36-0 win to remain undefeated, and with just two weeks left in the regular season it looks like the Pee Wee Tigers are headed for the Super Bowl, while the Midget Tigers need one more win and the Termites Tigers need to win out. There is plenty of excitement left!

POLISH PROGNOSTICATOR PREDICTS PREPS

Ye Ole Polish Prognosticator dropped by over the weekend and seemed to have lost interest in college football than high school. He jumped up on his bandwagon and declared South Florida was not a "Top 5" team and had no business even being considered a major college team, then suggested the fans in Tuscaloosa should throw their cups at the Tide coaches instead of the opposing players. He did settle down and turn his thoughts to high school football before he left, and reported that after six weeks his record on predictions stands at 148-33. I'll admit that ain't too bad for even a local guessper, and will now pass along this week's words of wisdom....

ELBA VS. GENEVA

The Pea River felines will load up on the raft and float down river to tangle with a litter of kitties that have been known to spring a trap against unsuspecting visitors. The felines have had a number of games on their schedule circled this season as ones in which they felt they owed their foes a little payback, and this is one that was circled twice. I'm not sure what that means, but I'm afraid payback may be hard to get this weekend down on the banks of the Pea.

GENEVA 21 ELBA 20

#2 spot on the line

Tigers invade Geneva for crucial region encounter

The Elba Tigers will be looking to get back on track and keep their home field hopes alive when they travel to Geneva to battle the Geneva Panthers.

The Tigers suffered their first region loss of the season last week in a 48-20 setback to Pike County and will carry a 3-1 region slate into the key region match-up, while the Panthers will also bring a 3-1 region

record into its homecoming contest after a big 27-2 win last week over Headland. "Geneva has a very good high school football team and will be looking to give a big homecoming crowd something to cheer about Friday night," said Elba's Coach Scott Rials. "When a team picks a homecoming opponent it is usually a team it feels it can beat. So, I guess the folks down in Geneva are confident the Panthers will have a big win Friday night and will get to celebrate after the game. We know Geneva is good and will be a huge challenge, but we are going down there to try and spoil their homecoming party."

Geneva has a new coach in Jeff Williams, but has the same winning attitude that led the Panthers to an 11-1 record last season, and will come into Friday night's region clash with a 4-2 record. The Panthers have posted wins over Hillcrest, Straughn, Abbeville and Headland, while falling to Pike County and Andalusia.

"A winning season gives your whole program a lift, whether a guy was a starter or played just a couple of plays," said Coach Williams in a preseason interview. "These kids have been around winning and want another taste. There's not a lot of rah-rah going on. They want to be football players and the work ethic of the community kind of carries over to the football program."

Both quarterbacks, the tailback, a wide receiver, the entire secondary, three of five line-backers and one defensive lineman graduated off last year's highly successful team. However, there is still talent to be found on the Panther sidelines, especially in the offensive line, where four of the five starters return.

Brent Beagles (6-4, 220) is back to anchor the offensive line and is considered a college

NEW BROCKTON VS. HOUSTON COUNTY

The fighting birds from across the county were crowing loudly again last week after defending their coop, but this week will have to get their wings good and loose for a flight over near the state line left after the long trip they could very well pull off an upset. However, the guess here is their wings won't be doing much flapping.

HOUSTON COUNTY 29 NEW BROCKTON 20

ZION CHAPEL VS. FLORALA

The troops from up at Fort Jack have improved their aim in recent weeks and are convinced before long they will hit their target and hang a big "W" on the front gate. This week a litter of kitties from down near the state line will visit the fort and scouts report the kitties are quick and love to run up and down the field. The troops need to get their sights in line, because these furry felines will be really hard to hit.

FLORALA 26 ZION CHAPEL 16

BRANTLEY VS. PROVIDENCE CHRISTIAN

The Bulldogs from up across the river have a hunting trip planned for this weekend over near the Circle City and seem sure that a flock of birds are roosting somewhere just off Highway 84 East. If the birds they are hunting are the ones I think they are they will be easy to find, because they have survived hunting season and are still flying high. Looks like the season lasted one week too long.

BRANTLEY 41 PROVIDENCE CHRISTIAN 10

KINSTON VS. PLEASANT HOME

The Bullpups from down near the county line will head over to the deep woods of Covington County this weekend and hope to flush out a flock of birds that have been flying low for much of the season. The pups will be hungry when they arrive and will be looking to bag the limit. However, these birds are also hungry and may chase the pups away from the dinner bowl.

MARTIN TO MATIAS.... Elba Tiger quarterback Trey Martin (14) throws a short pass to running back Carlos Matias (12) as he swings out of the backfield. Martin passed for 211 yards last week in the Tigers' loss to Pike County, while Matias caught 6 passes for 37 yards.

Region slate falls to 3-1

Elba Tigers fall 48-20 in shootout with Pike County

By Ricky Mularz, Sports Editor
Photos by Mike Capps

The Elba Tigers hosted the Pike County Bulldogs Friday night in a region shoot-out and simply didn't have enough weapons to upset the two-time defending state champions as the Bulldogs outscored the Tigers 48-20.

The loss dropped Elba's record to 4-2, 3-1 in region play, while Pike County upped its record to 6-0, 4-0 against region competition. Elba lost the ball on a fumble on its third play from scrimmage at its own 13-yardline to give Pike County excellent field, and two players later the Bulldogs were on the scoreboard as Blake Beacham connected with Quan Bryant on a 13-yard touchdown toss.

The extra-point try failed, but after only five plays Pike County was already on top 6-0.

Pike County began its next possession at the Bulldog 44-yardline after an Elba punt and this time needed six plays to get back into the endzone. A 14-yard pass from Beacham to Joshua Moultry got the drive off to a fast start, while Chad Passmore gained 20 yards on 3 carries and scored the touchdown on a 1-yard run. Beacham passed to Bryant for the two-point conversion, and the Bulldogs owned a 14-0 lead midway through the opening stanza.

Elba's Justin Hammonds recovered a Bulldog bobble on Pike County's next possession to stop a scoring threat at the Elba 33-yardline, and the Tigers cashed in on the turnover to cut into the Bulldog lead. Carlos Matias gained 14 yards on 3 carries to get the Tigers headed toward the Pike County endzone, while the score came when Trey Martin fired a 43-yard touchdown pass to Gavin Respress. Richard Cooks added

HERE I COME.... Elba Tiger running back Michael Lindsey (6) looks for room to run in action last week against Pike County. Elba will travel to Geneva Friday night in a key region match-up.

on a 1-yard run. The extra-point was again true, and at the end of the half Pike County left the field with a 35-13 advantage.

Pike County received the second half kickoff and took complete command as the Bulldogs drove 67 yards in 5 plays to add to their lead. A 37-yard pass from Beacham to Torrey Wilson sparked the long scoring march, while Chad Passmore capped the drive with a 3-yard run. The extra-point try failed. However, with only minutes gone in the second half the Bulldogs were in command with a 41-13 lead.

Elba was down, but not about to quit, and scored on its first possession of the half to cut into the Pike County lead. Carlos Matias gained 12 yards on 2 carries to get the drive started, while Trey Martin hooked up with Richard Cooks on a 53-yard scoring pass to get the Tigers back on the scoreboard. Cooks also kicked the extra-point, as the Tigers pulled within 41-20.

Elba had a chance to cut even further into the Pike County lead as next possession and drove 47 yards to the Bulldog 36-yardline behind the running of Carlos Matias and the passing of Trey Martin. The potential scoring drive ended with a fumble; however, and it proved to be the last time the Tigers would threaten to get on the scoreboard.

Pike County added a late score in its 10th play. 58-yard by Blake Beacham, while in the air Trey Martin completed 16 of 30 passes for 211 yards and 1 score. Richard Cooks pulled in 1 pass for 53 yards and a touchdown, while the Gavin Respress had 2 catches for 49 yards and a touchdown. Dylan McCollough had 4 catches for 41 yards, Michael Lindsey had 3 catches for 31 yards and Carlos Matias had 6 catches for 37 yards. On defense, the Tigers were led by Justin Hammonds with 8 tackles and 5 assists, while Tramound Craighead added 8 tackles and 3 assists and Cordell Hooks had 5 solo stops.

Chad Passmore gained 103 yards and scored 3 touchdowns to lead Pike County on the ground, while Blake Beacham completed 10 of 18 passes for 161 yards and 1 score. On defense, Chris Moore led the Bulldogs with 13 tackles and 4

assists.

Gamecocks hold on late to edge Long 21-20

Statistics by Trey Medley

The New Brockton Gamecocks pulled ahead early and held on late to claim an exciting 21-20 win over the G.W. Long Rebels, Friday night in front of a large homecoming crowd at Gamecock Stadium.

New Brockton received the opening kickoff and needed only two plays to get on the scoreboard. A 46-yard scamper by Nathan Foster moved the Gamecocks quickly into Rebel territory, while the Gamecocks scored on the next play when Solomon Harris broke loose and raced 19 yards for the touchdown. Kyle Roehler kicked the extra-point, and with only 23 seconds gone in the game New Brockton was already on top 7-0.

G.W. Long had an answer for the early Gamecock score as the Rebels took the ensuing kickoff and marched 65 yards to pull even at 7-7. The touchdown came on a 47-yard run by Cody Evans, and after the extra-point the score was tied at 7-7 with 9:02 left in the opening stanza.

New Brockton began its ensuing possession at its own 35-yardline and once again headed down the field to regain the lead. Solomon Harris had a big 16-yard gain to help lead the Gamecocks down the field, while Devon Muhammad scored on a 16-yard run. Roehler booted the extra-point, and with 6:08 remaining in the first quarter New Brockton was back on top 14-7.

New Brockton recovered a Rebel fumble at the Gamecock 36-yardline late in the stanza and drove deep into G.W. Long territory, only to come away empty-handed. Seth Culverhouse had a 32-yard run and Nathan Foster added 18 yards on four carries as the Gamecocks got as close as the

G.W. Long 5-yardline. However, the Gamecocks failed to punch in the scoring opportunity as their lead remained at 14-7.

New Brockton got the ball back at the G.W. Long 41-yardline after a Rebel punt and this time reached the endzone to increase its advantage. A roughing the punter penalty gave the Gamecocks new life after a sluggish start, while Solomon Harris capped off the short scoring drive with a 5-yard touchdown run. Kyle Roehler kicked the extra-point, and with 3:47 remaining in the half the Gamecocks were in command with a 21-7 lead.

The Gamecocks fumbled a punt early in the third quarter at their own 45-yardline, and G.W. Long took advantage of the turnover to drive in for a touchdown and cut into the New Brockton lead. The touchdown came on a 6-yard run by Cody Evans, and the extra-point was successful, as the Rebels pulled within 21-14 with 2:37 remaining in the third quarter.

The defenses took over on the game's next four possessions, but G.W. Long put the ball in play at its own 38-yardline early in the fourth quarter and scored on its first play from scrimmage on a 62-yard dash by Dewayne Whigham to pull within 21-20. The extra-point try failed, however, and with 9:20 remaining on the clock the Gamecocks' lead was down to 21-20.

New Brockton drove to the G.W. Long 11-yardline late in the game and attempted a 28-yard field goal, but the kick missed its mark, and the Rebels had one final chance to pull off the comeback win.

Seth Culverhouse had a 32-yard run and Nathan Foster added 18 yards on four carries as the Gamecocks got as close as the

New Brockton head football coach Dirk Strunk prepares to call a play as Gamecock quarterback Nathan Foster (11) visits sidelines. The Gamecocks evened their record at 3-3 last week with a 21-20 Homecoming win over G.W. Long.

(Photo by Mike Capps)

quarterback sack by Dominique Muhammad with 20 seconds left on the clock, and the Gamecocks recovered to preserve the exciting 21-20 region win.

Devon Muhammad gained 81 yards on 15 carries and scored 1 touchdown to lead the New Brockton rushing attack, while Nathan Foster added 75 yards on 12 carries and Solomon

Harris gained 49 yards on 8 carries and scored 2 touchdowns. On defense, David Davidson led the Gamecocks with 8 tackles, while Matt Moore and Seth Culverhouse both made 4 stops.

Fall to 0-6 on season

Kinston Bulldogs clawed by Purple Cats 35-7

By Scott Johnson

Photos by Mary Johnson

The Kinston Bulldogs traveled to Dale County Friday night to take on region foe Arton, and the home standing Purple Cats pulled away in the second half for a 35-7 win.

After opening the season 0-5, the Bulldogs spent the week learning a new offense and defense, and Coach Dean commented on the new wishbone offense, "The timing was off a little early, but I thought they picked it up."

Kinston did not score any points in the first half, but did show signs of improvement to start the second half of the season. In five first half possessions, the 'Dawgs went 3 and out only once, and controlled the clock for 15 minutes to keep the defense fresh.

Garrett Moore's opening kickoff pinned the Purple Cats inside the 15-yardline, but Arton soon pounded their way into Kinston territory, gaining good yards on the ground. From the 44-yardline, Arton broke free down the left sideline, where A J Johnson delivered a hit to dislodge the football. Teammate Garrett Moore recovered just outside the 10-yardline, and the Bulldogs were back in business.

Kinston could not move the chains; however, a good punt return gave the 'Cats the ball at the 25-yardline. Ty Tyler carried the ball in from 2 yards out and Tyler Deal added the extra point, as midway through the first quarter Arton led 7-0.

In the second half Arton took advantage of field position and a turnover to put the game out of reach. After an A J Johnson

John Moss returned the ensuing kickoff to the 32-yardline, and a hard run by Kyle Sparks gave the 'Dawgs a first down. The drive stalled; however, and Chris Cosby punted away.

Arton gained one first down, but Cruz Johnson had a tackle in the backfield and Kinston's defense held to force a Purple Cat punt. An Aaron Jacobs pass to Tim Donaldson gave the 'Dawgs a first down, while a pair on John Moss carries moved Kinston across midfield. Kyle Sparks plowed his way to another first down, and Matt Whigham took the pitch around right end to reach the 22-yardline. The Bulldogs could not cash in, as Arton picked off a pass to regain possession.

Kinston's defense would not let the 'Cats capitalize on the turnover as a big sack by Will Rhodes and a John Moss stop on third and long forced an Arton punt that brought back the Kinston offense.

An 8-yard pass to Kyle Sparks gave Kinston breathing room, and elusive running by John Moss moved the ball out to the 38-yardline. A completion to Tim Donaldson and a hard run by Kyle Sparks put the 'Dawgs back in Arton territory with under two minutes remaining in the half trailing 7-0, but another Arton interception ended the drive and gave the Purple Cats the ball back at the Kinston 37-yardline.

Kinston's defense forced a third and 16, but Arton converted to reach a first and goal at the 8-yardline, and Ty Tyler scored on a 2 yard run and Bradley Deal converted on the 2-point play for a 15-0 Purple Cat halftime lead.

In the second half Arton took advantage of field position and a turnover to put the game out of reach. After an A J Johnson

Kinston Bulldog AJ Johnson (in white) drags down an Arton running back to prevent a Purple Cat touchdown. The Bulldogs will travel to Pleasant Home Friday night in search of their first win of the season.

return to the 37-yardline to start the half, Kinston punted away and Arton returned the football into Bulldog territory. After gaining a first down near the 25-yardline, Ty Tyler scored his third touchdown of the night on a 17-yard run as Kinston now trailed 21-0.

Kinston fumbled on its next play from scrimmage and Arton covered 19 yards in 3 plays to take a four touchdown lead midway through the third quarter.

A John Moss return placed the football at the 24-yardline, and Matt Whigham found room down the right sideline to reach the 45-yardline. Kyle Sparks picked up another first down to

move into Arton territory, but the drive stalled and Kinston punted.

Good coverage pinned the 'Cats at the 20-yardline, but Craig Sanders broke free down the right sideline for an 80 yard score. John Moss, Kyle Sparks, and Matt Whigham had first down runs to move deep into Arton territory at the end of the third quarter, but Kinston turned the ball over on downs at the 7-yardline.

Garrett Kelley, Garrett Moore and Matt Whigham had big stops to force an Arton punt, and set up Kinston's lone scoring drive. John Moss took the handoff around left end and found the sideline to outpace the 'Cats 51 yards. Wesley Burton put the PAT right down the middle for the 35-7 score midway through the final quarter.

Kinston hits the road again next week to take on Pleasant Home in another region match up. Kinston has yet to gain its first win of the season, but has never been short on effort and should put up a good fight against the 1-5 Eagles.

SPORTS

Remain unbeaten in region

Brantley Bulldogs tame Tigers 55-34

By Greg Brunson
Photos by Janet Brunson and Greg Brunson

The Brantley Bulldogs returned to the field Friday night looking to rebound from a disappointing loss to Highland Home and faced a stern region test as they hosted the undefeated and sixth-ranked McKenzie Tigers. The two region rivals combined for over 1,100 all-purpose yards and 89 points, and when the scoreboard finally got the chance to cool off it was the Bulldogs that were still atop the region standings after claiming a wild 55-34 win.

Brantley denied the scoreboard first when Anthony Guiley capped a 5-play, 54-yard drive, with a 22-yard run around the right end. Britt Barnes kicked the extra-point, and with 9:38 remaining in the first quarter the Bulldogs were on their way with an early 7-0 lead.

McKenzie bounce right back with an 11 play drive that covered 69 yards. Eldrick Ball raced 13 yards on a trap play for the touchdown, while Brantley's Terrell Burnett made a big stop on the two-point conversion as the Bulldogs remained ahead 7-6 with 5:24 left in the opening stanza.

Brantley's Justin Wright took the ensuing kickoff and returned it 91 yards to the McKenzie 3-yardline, and on the next play Derek Holley scored on a 3-yard run up the middle. Barnes added the extra-point, and with 5:00 remaining in the first quarter the Bulldogs lead stood at 14-6.

McKenzie raced right back down the field on its next possession and drove deep into Brantley territory, only to be

turned back on a fourth down play when the Bulldogs' Roy-L Knighten broke up a pass in the endzone. The next four possessions all ended in punts, with the last punt resulting in more fireworks for the Bulldogs as Anthony Guiley fielded a Tiger punt, got a crushing block on the corner by teammate Roy-L Knighten and dashed 77 yards for a touchdown. A penalty backed up the Bulldogs and resulted in a failed conversion attempt, but with 3:39 remaining in the second quarter Brantley owned a big 20-6 lead.

Brantley had one more possession in the half and marched 65 yards in 6 plays to add to its point total. Justin Wright cracked in from a yard out for the touchdown, and Britt Barnes booted the extra-point as the Bulldogs' lead grew to 27-6 with 56-seconds remaining on the clock.

The Tigers threatened again in the closing seconds of the half, but Brantley's Roy-L Knighten intercepted a McKenzie pass in the endzone to turn back the threat and preserve the 27-6 halftime advantage.

McKenzie took the second half kickoff and went right down the field on the Brantley defensive unit. The drive ended when Calvin Henderson fumbled the ball into the endzone as he stretched to reach the goal line, and Brantley's Justin Wright recovered the fumble for a touchdown.

The Bulldog's Roy-L Knighten took a handoff on the next play on a misdirection play and scampered 71 yards to the McKenzie 9-yardline. Anthony Guiley scored on a 7-yard run

led the Tigers back down the field on their next possession as they marched 52 yards in 10 plays to get back in the endzone. Rudolph scored on a 7-yard run with 8:41 remaining in the game, and Calvin Henderson added the two-point conversion as the Tigers cut the Bulldog lead to 48-28.

Brantley's Roy-L Knighten claimed his second interception of the game later in the fourth quarter at the McKenzie 40-yardline, and it took the Bulldogs only four plays to cover the distance into the endzone, with the score coming on a 14-yard jaunt by Anthony Guiley. Britt Barnes drilled his seventh extra-point of the night, and with 2:39 left on the clock Brantley's lead was up to 55-28.

McKenzie's Justin Smith ended the night's scoring on the ensuing kickoff with a 52-yard kickoff return for a touchdown, and when the horn finally sounded after almost three hours of action it was Brantley that remained undefeated in the region with the big 55-34 win.

Anthony Guiley gained 246 yards on 16 carries and scored 5 touchdowns to lead the Brantley offense, and the speedy junior also scored a sixth touchdown on a 77-yard punt return.

STATISTICS

3-50	Punts-Ave. 3-33

Brantley's Britt Barnes (80) kicks an extra-point in last week's 55-34 region win over McKenzie. Barnes, a junior, was successful on all seven of his extra-point attempts in the win.

Brantley High School Band... performed at halftime and entertained the large crowd on hand for the region match-up between the Bulldogs and McKenzie.

Henderson wins Street Stock feature by inches over Rudd

By Mark Chisum

A third place finish wouldn't have been bad for Cameron Henderson. Henderson, in his first year of competition in South Alabama Speedway's Street Stock division was riding in third place Saturday night when left Rudd and Bill Betha III were battling for the top spot. Henderson was two car lengths behind the leaders when the fight up front got a little physical, and Henderson took advantage. Jamie Ater took the lead on the first lap, but Justin Tyre took over after a restart on lap two. Tyre led until Rudd took control on lap six. Betha had to come from the twelfth starting spot to the inside and beat Rudd to the line by inches.

when the caution flew again on lap ten. Betha moved up to third on lap 12, and got past Henderson two laps later for second. Betha and Rudd began a battle for the top spot that would last the remainder of the race. The battle came to a head on the final lap when the leaders got together. The contact slowed the leaders pace and Henderson went to the outside and was able to erase the lead and move into second. Betha had one last shot coming out of turn four. Rudd moved low to block Betha and again there was contact. As Rudd and Betha slowed coming to the stripe on the inside, Henderson went to the outside and beat Rudd to the line by inches.

A public hearing will be held by the City Council in their regular meeting in the Council Chamber in City Hall at 5:30 p.m., Monday, October 22, 2007.

Elba High School Class of 1957 enjoys weekend of activities during recent Homecoming reunion

The Class of '57 had a great Homecoming weekend! It was a weekend of catching up with the past 50 years starting with the parade Friday afternoon in 90+ degrees! This was followed by a social hour after the parade.

Some classmates went to the homecoming ballgame, others stayed and visited. After Elba beat New Brockton soundly (sorry Jerry Goodson a New Brockton graduate), the members went back to the class party and stayed too late.

The Charlie and Becky Hayes farm was the setting Saturday for a delightful lunch of barbecue and all the trimmings, catered by Ed Cowen. 50 people attended this as they all visited until the afternoon.

National Security Conference Center on Saturday night was the place for their final banquet of the weekend; 50 people attended with 32 classmates present, which was great as a class which had 53 members with 6 deceased. Those in attendance were called to order by class president, Patsy Parker Goodson, and the group then enjoyed guessing baby pictures of each other that were projected onto a screen.

The food was catered by Vickie of The Gatherings. The evening ended as a DVD was played of Elba Elementary School and High School days, fifties music included.

The group sang the Alma Mater as they closed out the evening. Ralph Cooper, a class-

CLASS OF 1957 1st Row: Elaine (Vaughan) Martin, Tulah (Dismukes) Wise, Jimmy Boswell, Dykes Rushing, Ralph Cooper. **2nd Row:** Nina (Cain) Brown, Ann (Cowen) Scott, Mary Jon (Taylor) Brown. **3rd Row:** Jarrett Michel, Douglas Smith, Cabert Mills, Marilyn (Clark) Beck, Becky (Colquett) Hayes, Becky (Hollaway) Coppage, Peggy (Couson) Sheffield, Christine (Capps) Bowden, Mavis (Bowden) Burch, Linda (Smith) Johns, Patsy (Parker) Goodson, Jarrotha (Farris) Pugh, Frankie (Donaldson) Farris. **Back Row:** Dwan Nolin, Bill Blair, Byron Davis, Charles Hayes, Betty Ruth (Clark) Mosher, Ben Carpenter, Zackie Storey, James Grimes, Lela Ann (Sawyer) Dyess, Howard Prescott.

mate, was the official photographer and made a group picture and other pictures over the few days they were together.

A very impressive ceremony led by Jimmy and Jo Boswell to memorialize the deceased classmates as balloons were released into the heavens at twilight Saturday.

Not wanting to end the weekend, 25 classmates including spouses gathered at the Westside Baptist Church Sunday morning. Linda Smith Johns, a class-

mate, is Minister of Music at the church and as a special tribute to the class and its deceased mem-

bers sang "Friends," which touched everyone's heart.

After the church services classmates stayed for the 5th Sunday dinner and enjoyed the wonderful cooks of the Westside Church. Flowers were placed in the church sanctuary in honor of The Class of '57 and deceased

classmates. A beautiful bouquet was placed in the church foyer that was used the night before arranged by Harriet Boyd, niece of Elaine Vaughan Martin.

Saying good-bye is always sad, but plans were made to meet again soon.

THE ELBA CLIPPER • THURSDAY, OCTOBER 11, 2007

ASHLON SMITH, Elkins, West Virginia is shown reviewing a recent copy of *The Elba Clipper* to his son Creighton. The picture was snapped by his dad, Al Smith, on September 30, during a visit from Elba to Ashlon's West Virginia home.

Elba Chamber of Commerce Events:

• Frightening tours of the "Old Haunted Jail" will be conducted five nights this October. Tours will be held Friday, Oct. 26; Saturday, Oct. 27; Monday, Oct. 29; Tuesday, Oct. 30; and Wednesday, Oct. 31. The "Old Haunted Jail" opens at 7 p.m. each night.

• "Pumpkins on the Square" will be Tuesday, Oct. 30, from 5:30-7 p.m. on the square in downtown Elba. Trick-or-Treating is for children (ages birth thru 12 years) dressed in costume. A Children's Costume Contest will be held at 6:15 p.m. on the west side of the courthouse.

• The 20th Annual Elba Christmas Festival and Parade will be Saturday, Dec. 8. The Christmas Festival will be held throughout the day on the square in downtown Elba (9 a.m. - Until). The parade will begin at 4:30 p.m. Parade entry and vendor applications are available at the Chamber office.
